Clip a Word

10 Activities included

Read and Clip

Students read the CVCe word and clip the matching picture (or cover it with a counter).

There are 102 read and clip cards included in total.

I Spy Cards

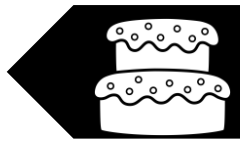

Students read the word shown at the top and then search the picture card for the matching picture. There are 72 cards included in total.

Spell a CVCe Word

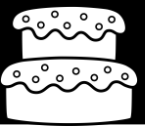

Students select a picture card and spell out the word on the recording sheet next to the number that matches the card. There are 24 CVCe cards included and an

answer sheet for easy marking.

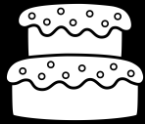

Word Puzzle

Students match the word parts to form the CVCe word. The cards are color-coded for added support. 76 different puzzle cards are included.

Secret Words

Students spell out the secret word by writing the beginning sound of each picture. Next, they record the word on the recording sheet. 24 secret word cards are included in total.

CVCe Word Builder

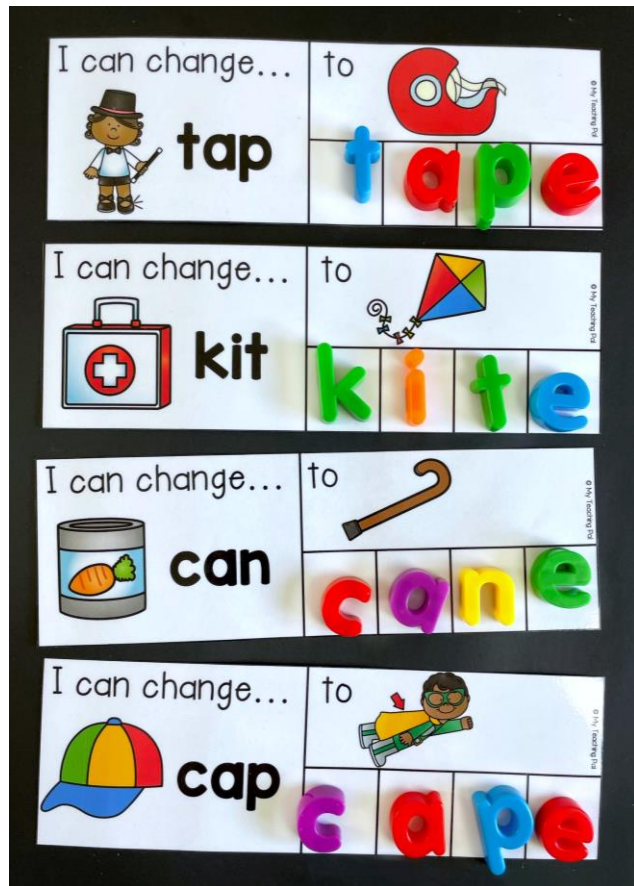

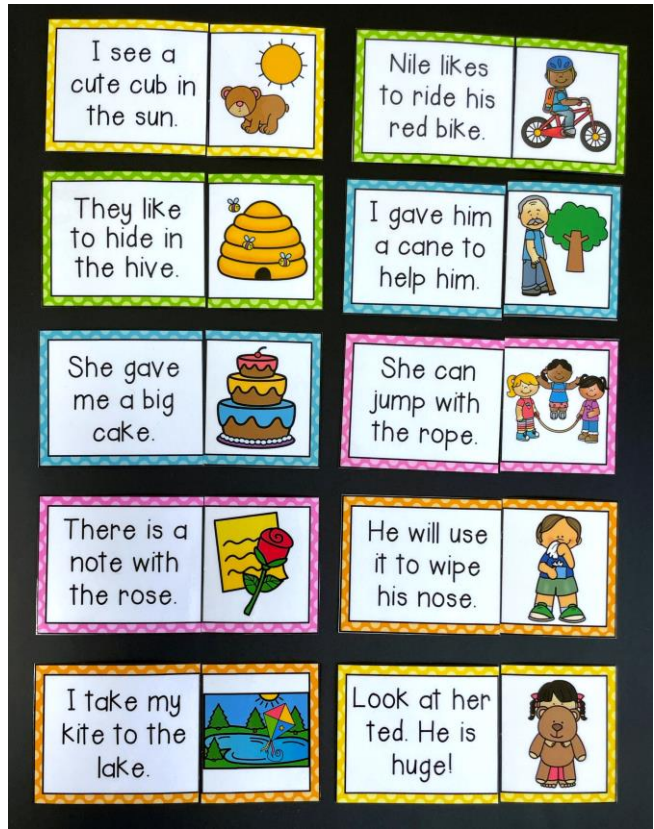

Students choose a picture from the mat and spell it using magnetic letters, erasable marker or playdough. 5 mats included plus a mat for CCVCe words.

Comprehension Puzzle

Students read the sentence and find its matching picture. This is a great one for having students read CVCe words in context while helping to develop their comprehension skills. The cards are

color-coded. 60 are included altogether.

I Can Change

Students respell the short vowel word with a bossy e at the end to make a new word. Students can use magnetic letters, erasable marker or letter tiles. 28 cards included.

Scrambled Words

These scrambled words cards are great as a supported spelling activity. To complete the activity, students find the letters shown on the card and then arrange them in order to form the
