

Digraph Search

Students search for the digraph words and circle the picture. Laminate and use with erasable marker so that it can be used over and over again. Pages included for ch, sh, th, wh, ph and ck digraphs.

Line Them Up

This works well as a 2 player game. Students roll a die and cover a picture with the matching digraph. They keep going until they get 3 in a line. There are 3 different options included (including an option for ch, sh and th digraphs only).

Secret Words

Students write the beginning sound of each picture to work out the secret digraph word. 15 pages are included. Options are included for ch, sh, th, wh, ph and ck digraphs.

Spin and Search

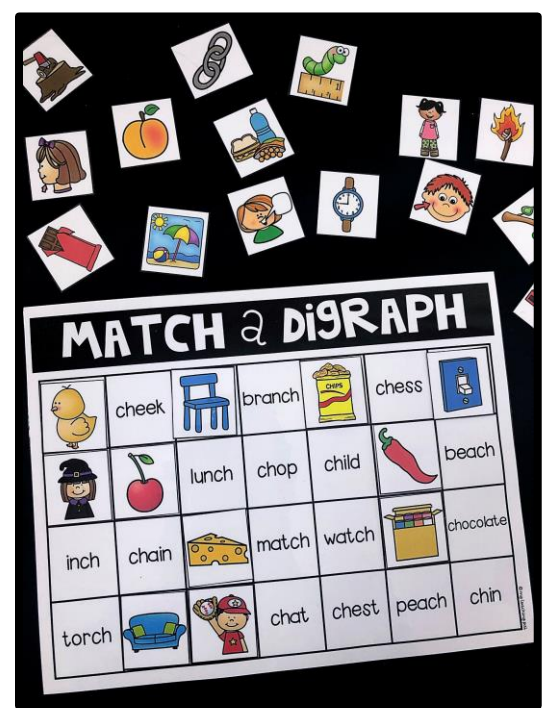

Students spin the spinner using a paperclip and pencil. Then, they color the corresponding word using the color key. Options are included for ch, sh, th, wh, ph and ck digraphs.

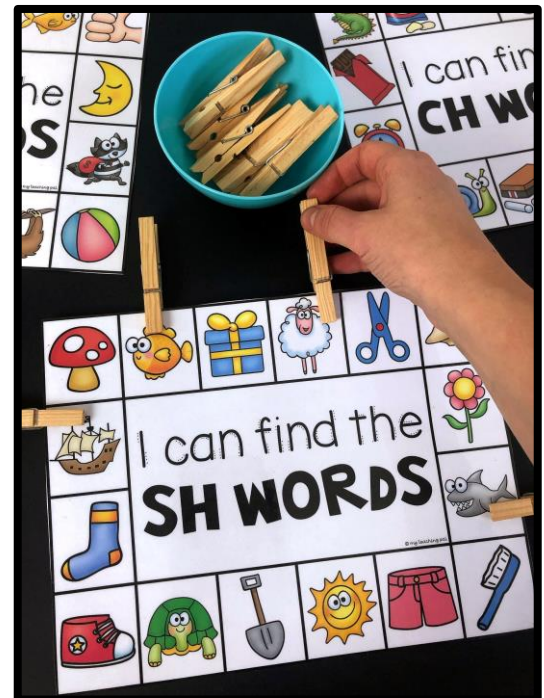

Match a Digraph

Students match the pictures to the words. Includes both an easier and harder version. Options are included for ch, sh, th, wh, ph and ck digraphs.

I Can Find

Students clip (or place counters on top of) the pictures that match the digraph. Options are included for ch, sh, th, wh, ph and ck digraphs.

Sort It Out

Students match the pictures to the digraph labels. Pictures are included for ch, sh, th, wh, ph and ck digraphs.

What's the Digraph

Students choose a picture card and write the digraph (ch, sh or th) under the corresponding number.

Find the Words

Using erasable marker or cubes, students find the words. Options are included for ch, sh, th, wh, ph and ck digraphs. Laminate for easy reuse.
