# 32 Task Cards which are suited to any of the differentiated Store Posters.

Dad bought an apple  
and a cookie. How  
much did it cost  
altogether?

For my birthday  
party, we bought 2  
packets of chips.  
How much did it  
cost altogether?

Betty has 90¢ and  
wants to buy a  
bunch of grapes.  
How much change  
will she get?

I have 20¢ and I  
want to buy a  
cookie. How much  
more money do I  
need?

30

You have a choice of numbered  
or unnumbered task cards  
depending on your preference
